

# Making a superlative

My adjective is 1 syllable long:

add -est (tallEST)

and ends with ONE consonant  
double the consonant (biggEST)

My adjective is 2 syllables long

and ends with -e

add -st (niceST)

and ends with -y.

remove the y, add -iest (easiEST)

My adjective is 3 or more syllables long

add THE MOST before the adjective  
(THE MOST amazing)

## IRREGULARS

good=> the best    bad=> the worst

far=> the furthest
