The Code:

- I believe, along with the coaching staff, that student athletes in the Guajome Park Academy Basketball Program should exemplify the highest ideals of scholarship, sportsmanship, and citizenship. Young people in this program will be expected to be courteous, respectful, and responsible at all times.
- In addition to the following rules that govern all Guajome Park Academy students, participants in the Guajome Park Academy Basketball Program recognize that playing for Guajome Park Academy carries with it additional responsibilities. Thus I submit to the additional guidelines and consequences put forth in this document and referred to as “The Code”.
- As a participating member of the Guajome Park Academy Basketball Program, I agree to the following Code of Conduct.

1. ACADEMIC ELIGIBILITY

Basketball players must be eligible according to GPA Eligibility Standards. All players are required to attend study hall to improve their grades. Ineligibility does not necessarily exclude a player from responsibility to the program. Chronic ineligibility, whether in season or not, may result in removal from the program.

To be eligible, a player needs to maintain a 2.0 GPA along with having no F's, no more than 1 D and no U's in citizenship. If a player becomes ineligible he will be placed on probation for 3 weeks. Upon completion of those 3 weeks a player will be re-evaluated and, if grades have improved, will be able to participate in games. If he is still ineligible, the player will be removed from the program.

2. CLASS ATTENDANCE

Basketball players who are truant from a class will additionally be ineligible for practice or a game. A missed game or practice will carry additional penalty of an unexcused absence.

3. ACADEMIC RESPONSIBILITY

Basketball players will respond to coaches' request for improvement in academic courses. This may be to commit to mandatory SH attendance with that teacher of the troubled class or the coach, or before/after school tutorials with the teacher or the coach. Failure to do so will be considered defiance of coaches' authority.

4. WORKOUT/PRACTICE/TEAM MEETING ATTENDANCE

Basketball players must attend mandatory workouts or meetings, and be on time. All missed practices, excused or unexcused, will need to be made up. A missed practice is considered a missed opportunity to get better. To reduce the impact on a player, said basketball player would be given the opportunity to make up the practice by running in a predetermined time and under the supervision of a coach. This is not a punishment and thus will be considered in addition to any running requirement for an unexcused absence.

Failure to attend a mandatory meeting/practice without excuse will result in:

- FIRST OFFENSE: Opportunity
- SECOND OFFENSE: Opportunity and Suspension from next game.
- THIRD OFFENSE: DISMISSAL

These accumulate throughout the season.

A tardy player will:

- FIRST OFFENSE: Opportunity
- SECOND OFFENSE: Opportunity and Suspension from next game
- THIRD OFFENSE: Opportunity and suspension from entire week
- FOURTH OFFENSE: Suspension/Dismissal from the team.

***Note: Dismissal is the decision of the head coach.**
