

Detective case: Solve the Mystery

Some of your classmates were on the crime scene.

Ask them questions to help Sherlock with his investigations and collect all the information you can.

Complete the information about the murderer.

About the 'would be' murderer:

Age	
Hair	
Eyes	
Face	
Skin	
General appearance	
Clothes	

About the victim:

Age	
Hair	
Eyes	
Face	
Skin	
General appearance	
Clothes	

About the crime:

When?	
What time?	
Where?	
Murder weapon	
Why? (Hypothesis)	
Who?	

Now sum up orally what happened. Don't forget to use the simple past.
